Parmalat Top Milk Producers

Parmalat yearly awards the Top Producers delivering milk to them, based on the quality of their milk. Aspects that they consider are the average bacteria in the milk, volume milk delivered, the levels of butterfat and protein, and the somatic cell count. Seasonality and food security is also considered.

Congratulations to the following breeders for obtaining awards from Parmalat:

- Gerhard v Rensburg
- Alfie Louw
- Hoopvol Jerseys
- Jan Schoonwinkel

Classifications 2016

We have divided South Africa in 8 classification areas. Each area will be visited twice per year by a Jersey SA classifier.

Die areas for 2016 are as follow:

Area	Visit Month 1	Visit Month 2
Gauteng, Limpopo, Mpumalanga	January	July
North West; Northern Cape	February	August
Southern Cape and parts of Overberg	February	August
Natal and parts of MP	March	September
Overberg and Western Cape	March	September
Eastern Free State	April	October
Eastern Cape	May	November
North & Western Free State	June	December
